BRANDBOOK

CUCKOO KEEPER

LEGAL LINE

Name cannot appear in shortened versions for any social media platforms, and must always appear in full title

~~CUCKOO KEEPER~~

CUCKOO KEEPER

~~cuckoo keeper~~

~~**cuckoo Keeper**~~

Cuckoo Keeper

~~CK~~

For all promotional media name must be presented with “Cinzel Decorative”, if possible preffered option is to use **bold** letters for this font
For other media not directly related name must be otherwise presented with capital letters for first leatters of the word

ŁOGOTYPE

The logo is always to be accompanied by the full videogame name “Cuckoo Keeper” using “Cinzel Decorative” font

On bright and clear background as here logotype can be presented without additional background, but on color complex, or distinguished backgrounds that make it hard to read out the logo it is required to put versions with added shadow and highlight to make logo stand out from the backgorund itself

ŁOGOTYPE CLEARANCESPACE

To ensure readability, maintain an exclusion zone around the image and the text, whole logo. No other elements whether type or other logos, are allowed within the exclusion zone.

X = CLEARANCE SPACE Use the height of the “K” from KEEPER word as a distance for your measurement

Minimum size:
print 30mm width
web - 200px width

LOGOTYPE MONOCHROME

- Use this logo as the presentation logo when the logo is needed on a grayscale application, and highlighted version if the background is dark

ŁOGOTYPE MODIFICATIONS

No modifications to the logo are allowed, no other color schemes than presented before
folding, rescaling, compression, rotation or any modifications are NOT allowed to be used.
